

The background of the entire page is a solid light grey. It is decorated with numerous white line-art illustrations of botanical elements. These include various types of flowers, such as roses with spiral petals, five-petaled flowers with distinct centers, and bell-shaped flowers with visible stamens. There are also several leaves of different shapes and sizes, some with prominent veins, and small clusters of buds or berries. The illustrations are scattered around the central text, creating a decorative border.
