

# Botanical PAPERWORKS

## Custom Flat Card With Shape (3.675" x 4.25")

(YOU CAN FORMAT THE CARD VERTICAL OR HORIZONTAL)

- ☐ BLEED (3.925" X 4.5")
- ☐ FINAL TRIMMED SIZE (3.675" X 4.25")
- ☐ MARGIN (3.425" X 4")

**Bleed:** When the artwork is meant to touch the edge of the paper, extend the art 1/8" past the trim size on all edges for trimming purposes.

**Final trimmed size:** This is the final product size after trimming.

**Margin:** The space between the trim edge required to ensure that important details are not lost in the trimming process. Anything that is important, like text, must be within this margin.

*Click to watch a video with basic tips for artwork setups*

**If your order is double-sided, both sides should be set up in this same format but only one side will have a shape attached.**

Please make sure to include planting instructions in your artwork. For more details on file set-up, please [download the artwork guidelines](#) or [contact us](#) for assistance.
