-  BLEED (2.75" X 3")
-  FINAL TRIMMED SIZE (2.5 X 2.75")
-  MARGIN (2.25" X 2.5")

Bleed: When the artwork is meant to touch the edge of the paper, extend the art 1/8" past the trim size on all edges for trimming purposes.

Final trimmed size: This is the final product size after trimming.

Margin: The space between the trim edge required to ensure that important details are not lost in the trimming process. Anything that is important, like text, must be within this margin.
