

# Botanical PAPERWORKS

## Small Plantable Panel Card With Shape (5" x 4")

**(YOU CAN FORMAT THE CARD VERTICAL OR HORIZONTAL)**

-  BLEED (5.25" X 4.25")
-  FINAL TRIMMED SIZE (5" X 4")
-  MARGIN (4.75" X 3.75")

**Bleed:** When the artwork is meant to touch the edge of the paper, extend the art 1/8" past the trim size on all edges for trimming purposes.

**Final trimmed size:** This is the final product size after trimming.

**Margin:** The space between the trim edge required to ensure that important details are not lost in the trimming process. Anything that is important, like text, must be within this margin.

***Click to watch a video with basic tips for artwork setups***

**If your order is double-sided, both sides should be set up in this same format but only one side will have a shape attached.**

Please make sure to include planting instructions in your artwork. For more details on file set-up, please [download the artwork guidelines](#) or [contact us](#) for assistance.
