ECO-TIPS

GIFTING

Give low-waste sustainable products or offer an experience gift. Donate gifts you receive that you won't use.

DECOR

DIY garlands, ornaments, and more with recycled materials or biodegradable supplies such as popcorn or seed paper.

CARDS

DIY your own with recycled materials or eco-friendly paper such as seed paper.

DRINKS

Choose wine or other alcoholic beverages from companies with sustainable, ethical harvesting and brewing practices.

TRAVEL

Offset the carbon emissions from travelling in for celebrations with TerraPass, Carbon Fund, or another organization.

GIFT WRAPPING

Reuse what you have including old wrapping paper, newspaper, magazines or even scarves with the Furoshiki wrapping method.

LIGHTING

Swap incandescent lights for energy-efficient LED lights. Replace burnt out bulbs instead of throwing lights away. Use lighting timers.

HOLIDAY TREE

Buy a real tree if possible, and compost it after. Or reuse an artificial tree you already have.

STOCKING STUFFERS

Instead of single-use trinkets, stuff stockings with gifts made from sustainable materials.

MEALS

Consider cooking plant-based dishes, choose reusable cutlery and napkins, and candles made with natural soy or beeswax.
